# Welcome to Mullica Hill Rifle & Pistol Club.

As a member of Mullica Hill Rifle & Pistol Club you are entitled to all of the rights and privileges of membership. Your membership is a family membership, which means your spouse and minor children are allowed on the property with you and can use the range facilities. **Family members must be under your direct supervision at all times.** We invite and encourage you to attend our Club meetings.

## A. GENERAL CONDUCT

1. No alcoholic beverages or any illegal substances are allowed on the range property. No person under the influence of alcoholic beverages or illegal substances will be permitted on the range property or use of range facilities. If caught on the property with any of these above mentioned substances, your membership status will be reviewed by the Executive Committee with possible loss of membership. Remember, some over the counter drugs such as antihistamines may cause impairment.

2. All members **must display** current year club ID card at all times and must have NJ Firearms ID card on their person while on the range property. If someone doesn't have their ID displayed, please ask them to display it. If they do not have one take down their tag number and give it to an Executive Officer no matter what excuse they give you.

3. Members may bring guests, but are limited to a maximum of 2 guests, unless prior approval from the Executive Committee. Guests must restrict themselves to the one bench with the member unless they are not being used by other members. Members are responsible for their guest. Members must see to it that their guests obey all club rules and must accompany their guests at all times. You **MUST** not give the lock combination to anyone.

( NOTE: Immediate Family Members are not counted in guest quota. You can bring your spouse and 3 minor kids )

4. Every member on the range is considered a range officer. You should make sure safe procedures are followed at all times. If you observe anyone that is unsafe, you should politely let them know of their infraction. If they get nasty or arrogant or just ignore you, note their name and tag number and report it to an Executive Officer.

5. No hunting is permitted on the range property without written permission from the Executive Committee. No vehicles shall be driven on any of the ranges.
